Total.....	\$115,330

El Paso's spring building campaign grows stronger and more active each week. Building permits issued for the week totaled \$115,330 and architects report many plans being rushed to enable the construction work to begin on the new buildings by May 1.

Mrs. Mildred Patterson is having erected a five story apartment building on the corner of California street and Mesa avenue. The contract was awarded R. E. McKee, who began work on the building Thursday. It will cost \$40,000.

A permit for the Aragon building, on the corner of Montana and Piedras streets, was taken out Thursday. The building will cost \$25,000.

Work on Lauchlin Building Starts. Work is also under way on W. M. Lauchlin's \$13,500 apartment building on West Missouri street. The plans call for three stories.

Mr. Lauchlin is having plans made for a handsome four story building, with rooms and bath, to be erected on Franklin street, in block B, Stevens addition. It will be located near the Odd Fellows' building, will have elevator service and will cost from \$30,000 to \$40,000.

Begin Four Bungalows. Cassidy & Neel began work Friday on four modern bungalows, with heating plants, sleeping porches and built in features. They are being erected on West Main street, east of Fortino Diaz street, and will cost \$100 each.

Two stories, instead of one, are being added to the White House, and the cost of the work, including elevators, will reach \$120,000.

Turning Residence Into Apartment. Mrs. G. P. Wall is having her residence at 1317 East Boulevard transformed into a four apartment building, at a cost of \$50,000. Bevan is building three store rooms on the roof of the 12 story Mills building.

Contractors say that the high cost of building material is responsible for many improvements being held back. The builders hope the war will be of short duration and that at its close there will be a tumble in the cost of building material and labor.

Building Demonstrating Rooms. The W. G. W. company has been compelled to increase the capacity of its house for handling the business of music machines, sporting goods, etc. The firm is adding two demonstrating rooms, giving seven in all; and in order to carry a larger stock of records an additional record room 14x12 feet is being constructed in the basement. These improvements will cost \$20,000.

### Pay \$43,000 For Site For Building On Corner Of Kansas and Wyoming

The largest real estate deal of the week was made Friday, when C. C. Wilson, M. P. Dornes, H. R. Kelly and C. A. Kinne bought property on the northwest corner of Kansas and Wyoming streets, fronting 120 feet on Kansas and 120 on Wyoming. The price paid was \$43,000. The property was bought from three different parties, as follows: 55x120 feet from F. Willis Brown, 55x120 feet from R. S. Davis and 25x120 feet from Geo. E. Wallace.

It is the intention of the purchasers to erect a business block on the property and will build during the summer.

### HOME OF B. DANNIS ROBBED; JEWELRY WORTH \$300 TAKEN

R. Dannis, 519 East Rio Grande street, has reported to city detectives the loss by burglary of a dresser in a room in his home of a handbag containing jewelry, a woman's gold watch, with initial case, a postoffice money order for \$40, a five franc gold piece and two keys. The value of the articles was said to be \$300. Mr. Dannis said that entrance was gained while the family was watching the motor car parade Thursday night on Montana, by some one who used a pass key to a door.

Mr. Dannis is the man whose store in Chihuahua was looted by Villistas in their last occupation of that city.

### HEARS MOTHER IS KILLED DURING AIRPLANE ATTACK

Rhineland, Wis. April 7.—Sidney Knowles, 321 South Seelye avenue, Chicago, received word today that his mother, Mrs. Robert Knowles, was killed recently by an airplane attack on Newark, Nottinghamshire, county England. Mrs. Knowles lived in Los Angeles, Calif., and went to England to visit a son, but found he had been killed in the war.

Removal Notice. El Paso Seed Co. is now located at the corner of Campbell and San Antonio streets. One block east of City Hall and Court House. Phone 262.—Adv.

Miss Charlene Zomerdyk, a factory worker, had been chosen as contralto soloist for the spring music festival to be held in Paterson, New Jersey, this month.
